

Today's Challenge

If it takes six men six days to dig six holes, how long will it take one man to dig half a hole?

Today's Challenge

Commonality

If this is the answer, what
might the question be?

Balanced

Today's Challenge

Can you meet this challenge within 1 minute?

List all the properties of metals.

Now try to explain what each property means and what the exceptions are.

Today's Challenge

Mind maps

Use some key words from your work and link them together, showing the links you have in your own mind.

To make this a concept map, write on the line linking the 2 words, HOW they are linked in your mind

Today's Challenge

Which is the odd one out?

Today's Challenge

What if...

... gravity was turned off at
lunch time?

Today's Challenge

Would you rather be 6 metres
tall or 6cm?
Why?
